

LIMITED LIFETIME WARRANTY

Shield Casework® offers a limited lifetime warranty for products that will actually last a lifetime.

Our chemically welded, seamless solid surface construction will never delaminate, rust, or decay. It is engineered and built to stand up to continuous use, even in harsh environments.

Shield Casework® warrants to the Original End Consumer (OEC) that Shield Casework® products are backed by our Limited Lifetime Warranty and will be free from defects in workmanship or materials. This warranty applies to the OEC and is terminated upon the sale or transfer of ownership to a third party.

This warranty is for the replacement or repair only, whereby the manufacturer will correct defects and/or material without charge. Component parts or products not originally produced by Shield Casework® shall be limited to the warranty of the component manufacturer.

Upon written notice to Shield Casework® by the occupant, owner, architect, contractor, or the Shield Casework® authorized dealer, an inspection will be made to determine the cause and/or extent of the defects. If warranty work is required, we will repair or replace the product, part or component at our expense. Any product, part, or component must have been installed and used according to Shield Casework® published instructions. Any misuse, abuse, or modification to the original product voids the warranty.

Shield Casework® does not warrant:

- Variations in colors resulting from materials used from different lots.
- Natural wear and tear under normal usage.
- Exposure to extreme environmental conditions or that has been subjected to improper shipping or storage.
- Alterations, abuse, or accidental damage.
- Failure to install or maintain product in accordance with Shield Casework® published instructions.

Shield Casework® liability for component parts or materials manufactured by others is limited to the warranty of the component manufacturer.

The warranty period begins at the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. It does not cover any consequential or incidental damages, such as a loss of use or time.
